The Newsletter of the Betania Foundation

Words of the Vice-President of the Betania Foundation

Dear Brothers and Sisters:

I want to begin by thanking Our Lord Jesus Christ and his Blessed Mother for their powerful intercession, together with the communion of saints, who assist us in these times of turbulent waters. In the midst of an ocean of pain and confusion in which our world finds itself, we can perceive that the Communities of Betania are sailing on Mary's boat towards a safe harbor, with the flag of our Catholic Church waving triumphantly on its mast. We are called to be columns of light and that is why our strength is in the sacraments, especially daily Eucharist and frequent confession, and, in addition, the Holy Rosary prayed with the family. This daily practice and fraternal sharing are the means by which we are receiving infinite graces that Our Lady is ready to distribute to those who humbly open their hearts to her.

God bless you,

Maria Coromoto Bianchini Marrero

16th Anniversary of the Passing from this World of the Servant of God Maria Esperanza

Eucharistic celebration officiated by Father Juan Carlos Silva

This year, due to the pandemic, it was not possible to celebrate the Eucharist in the chapel of the Eastern Cemetery, to honor the Servant of God Maria Esperanza Bianchini.

Thanks to the permission of the Parish Priest of Saint Rosalia of Palermo of El Hatillo, Father Angel Rios, it was possible to celebrate Mass at the residence of the Bianchini family using technology, in order to transmit the Mass via Zoom, to all the established Betania Communities of the world.

Members of the Betania Choir accompany the Eucharist

More than 223 families had the privilege of participating at this beautiful and heartfelt Eucharist officiated by Father Juan Carlos Silva, Parish Priest of Saint Rosalia of Caracas. Members of the Betania Choir accompanied this ceremony with their music.

The Betania Choir on the Solemnity of Our Lady of Charity

On September 8th, 2020, day of the Nativity of the Virgin, a Mass was celebrated at La Caridad del Cobre Parish in Santa Paula, on the occasion of commemorating the Solemnity of Our Lady of Charity, Patroness of said community.

The Mass, broadcasted live on YouTube, was officiated by Father Francisco Morales and accompanied by the music of the Betania Choir. During the homily, Father Morales asked "for the Virgin to help us not be afraid, to understand that in the storm she is with us and that peace comes after the storm".

At the end of the Eucharist, Father Morales thanked the Betania Choir for giving support to the liturgical service through its song, and explained that "having said yes is a sign of hope, that our confidence is well centered in the midst of so many difficulties".

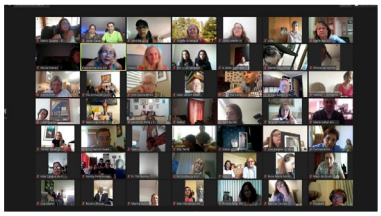
Virtual Prayer Transmitted in Multiple Languages



Rosary via Zoom

During the third quarter of 2020, from July 1st to September 30th, the Holy Rosary prayed in community continued via Zoom. Maria Coromoto Bianchini Marrero together with her husband Carlos Marrero led these prayers, assisted by their family and collaborators of the Betania Foundation.

The Rosary was recited in several languages: Spanish, English and Italian, according to the place of origin of the participants. After this prayer, testimonies were given from members of the Betania Communities, who shared the experiences they had had with the Servant of God Maria Esperanza.

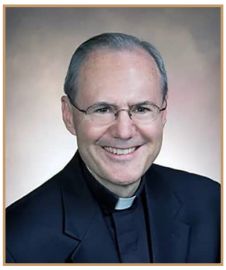
Excerpt of a Message of Our Lady Given to the Servant of God Maria Esperanza Bianchini

Little daughter, my little children, on this day when my birth is commemorated… the Nativity of Mary, I have wanted you to see me, just as the child my parents took to the Temple… and I wish for this image to remain engraved in your souls, in order to keep in your hearts the peace that comes forth as brightness from the very bosom of Our Father. Yes, little children I want you to take me with you, so nothing may separate us… you must know that truth always shines…

Words of the Vice-Postulator



Dear Betania Family,

The last six months have been extraordinary on many levels. The challenges are great and will continue to be so for some time. This state of affairs has taxed all of us emotionally, psychologically, financially, physically, spiritually and in many other unforeseen ways. In the face of these challenges it is imperative to maintain our faith and hope, as Maria Esperanza would exhort us. We are Christians! We believe in Jesus's protective grace and in the power of Divine Providence to work all things for those who love God.

If this virus brings us to our knees, this will be a good thing. We are often disposed to take Jesus for granted. Sometimes it takes setbacks of considerable impact to awaken our consciences and enkindle our devotion. Should the skies fall from above, figuratively speaking, we must cling to our Rosaries and trust in the mercy of God. In the end, every believer is under the protection of Jesus and the mantle of Our Lady. As the great mystic, St. Teresa of Avila, reminds us, "All things pass; God alone remains".

God bless and keep you all,

Fr. Tim

PRAYER FOR THE BEATIFICATION OF MARIA ESPERANZA

Merciful Father, You blessed Maria Esperanza with an abundance of spiritual gifts for the consolation of your people. She served You aswife, mother, and missionary to promote the unity of the family and the reconciliation of all peoples. You enabled her to be the central figure in the manifestations of the Virgin Mary, under the title of Reconciler of all Peoples and Nations, in Betania. Grant us the grace to follow her example of humility, hope, and unconditional love. Through the intercession of your servant, Maria Esperanza, we pray for the healing and reconciliation of our families, and for the fraternal unity of the entire human family. Especially, we beseech You to grant us the favors we now request (mention your intentions here) through the merits and prayers of your servant. Likewise, we humbly implore that she be inscribed in the Church's catalogue of saints, as a universal model of the beatitudes.We pray all this according to your holy will, cherished by your servant until the end, through Jesus Christ, your Son, our Lord. Amen.

With the ecclesiastical approval of Bishop Paul G. Bootkoski of Metuchen, New Jersey, December 4, 2009

Reflections of the Servant of God Maria Esperanza Bianchini

Speech of the Servant of God Maria Esperanza Bianchini
Maracaibo University's Hospital, Zulia, Venezuela
Wednesday, October 23, 1991

This is what matters: To hand on the message of my Mother and serve her, love her, and make her be acknowledged by all her children on earth. Because as long as mankind does not comply with the commandments, those divine Laws, the doctrine of Christ, we will live without harmony.

Behold, the great danger we are enduring, that we are seeing right now. It can stop with our prayer, our good will and our desire to live and practice the Gospel; with prayer, penance, meditation and the Eucharist.

Spiritual Maxims of the Servant of God Maria Esperanza Bianchini

• Mary, she is the flower of Mount Carmel, the star of the morning, the light of our souls, the balance of our thoughts. A lively light springs forth from her Heart to touch ours, and give us the grace to feel her in all our daily actions in life.

• Let us not leave the holy Rosary aside. Prayer is what Mary loves the most. Mary feels so happy when we gather at home, all together, with our rosaries in our hands.

• To be an apostle is the most beautiful thing; sacrifice is required, self-control is required, as well as great spirituality and the desire of serving constantly without feeling tired.

Chronological Data on Maria Esperanza

• On October 22, 1991, the Servant of God Maria Esperanza began her missionary trips outside Finca Betania. Bishop Pio Bello Ricardo authorizes her, through a letter, to go to the places where she was invited to spread the message of the Virgin.

• The first place where she traveled was to the State of Zulia, in Venezuela. There, she attended the Basilica Our Lady of Chiquinquira, the Anti-Cancer League Research Center, the Guajira Ethnicity Neighborhood and El Tablazo in Pequiven. The Mass celebrated in the Basilica of Our Lady of Chiquinquira, in Maracaibo is worth highlighting. Bishop Domingo Roa was the celebrant and invited the Servant of God Maria Esperanza to address a few words to the Zulian people, thus sharing her spiritual experiences.

MISSIONARIES OF RECONCILIATION

Inspired to continue the mission of reconciliation given to the Servant of God Maria Esperanza Bianchini, and to integrate it into the life of the Church, we have initiated a project to establish the "Missionaries of Reconciliation". The Missionaries of Reconciliation are a religious congregation in which a group of women offer themselves to Christ for the reconciliation of the human family, after the example of their foundress, the Servant of God Maria Esperanza. Their charism is to pray, witness and labor for the fraternal unity that Christ himself aspired. Those single women who desire to join the Missionaries of Reconciliation and live religious life can contact Father Timothy Byerley (frtimbyerley@hotmail.com) for further information.

Pope Francis: "The Christian Response to the Pandemic and the Consequent Socio-Economic Crises is Love"

Pope Francis during a General Audience in the courtyard of San Damaso, Italy

On September 9th, during the General Audience of the Pontiff, Pope Francis stressed that the current crisis, due to the pandemic, is affecting everyone and that the Christian response to this situation must be love.

In his words: "A virus that does not recognize barriers, borders, or cultural or political distinctions must be faced with a love without barriers, borders or distinctions. This love can generate social structures that encourage us to share rather than to compete, that allow us to include the most vulnerable and not to cast them aside, and that help us to express the best in our human nature and not the worst. True love does not know the throw-away culture, it does not know what it is. In fact, when we love and generate creativity, when we generate trust and solidarity, it is then that concrete initiatives for the common good emerge."*

A fraternal hug from Betania VII-Peru

Betania VII in the Sanctuari of Betania, Feb. 2018

The members of Betania VII-Peru wish to give infinite thanks to the Bianchini family, Betania I, our mother house, for all these months of prayer via Zoom. In this wonderful experience, not only did we have the opportunity to interact and to get to know the members of other Betania Communities and share with them, but also to fill ourselves with the charisma of Betania, legacy of our Servant of God Maria Esperanza.

Based on love, faith and humility we have been able to intertwine hearts as to feel we are part of this heavenly family. The testimonies of the Betania Foundation members, priests and religious have shed light on different wonderful aspects of the faith and holiness of our Servant of God. At the same time, these Rosary meetings have been a lifeline for us in these times of pandemic, isolation and fear. The happiness, joy, music, immense faith, hope and trust in divine providence that permeate through the prayers have supported us. It has been like a miracle; our Blessed Mother in her ship rescuing her children from stormy seas.

Each day we anxiously wait for the time, 4:00 p.m., to connect to Zoom and to our brothers from the Betanias around the world to praise God. We continue on with the hope of meeting again before the apparition grotto in Betania, to embrace everyone under the mantle of the Reconciler, our Mother.

We love you much,

Betania VII-Peru

How do we understand balance? (Part 1-2)

The Servant of God Maria Esperanza repeatedly referred to the importance of balance in all activities. She particularly was an example of balance in: how she treated people, her daily chores, eating, drinking, recreation, prayer, etc., etc., etc. Those of us who remember her know that she was not excessive in the abovementioned, nevertheless, she enjoyed every moment with full disposition, according to the occasion. When it came to worshiping the Lord in front of the Blessed Sacrament on the altar, she fully recollected herself without reservation in front of Jesus in the Blessed Sacrament and sought to create an atmosphere of recollection and openness of heart for all those who accompanied her. In the same way, she put all her good will to celebrate, with everything she had at her disposal, Baptisms, Marriages, First Communions, without sparing resources to make them as beautiful as possible. Taking into account this wonderful example of what true balance means, we have to be very careful of the subtleties of the enemy who, under the same banner, intends to show us a distorted path.
